

RICK L. JAMES

2017 – 2023

AUBURN, INDIANA

Rick L. James is the founder and Chairman of Metal Technologies, Inc., a metal casting company that is dedicated to providing customers with the highest quality products. Mr. James is also the Chairman of the Board of Directors for The James Foundation, a foundation he started with his wife, Vicki, in 2011 to serve his community and enhance educational opportunities through grants. He is a graduate of Tri-State University (1977), today known as Trine University where he is the Chair of the Board of Trustees.
