

Sean Maloney

2019 – 2025

PALO ALTO, CALIFORNIA

Sean Maloney is the former chairman of Intel China and a former executive vice president of Intel Corporation, where he worked from 1982 until he retired in January 2013. In 2015, Mr. Maloney established Heart Across America, a bike ride from San Francisco to New York to raise money for the American Heart Association. He currently serves on the board of directors of Netronome, a developer of domain-specific architecture, and previously served as a board member of the Silicon Valley American Heart Association.
